Thanks Bill for your vision and gentle nagging. And thanks to everyone on this chain. I don't know how it could have gone better.

Now the real work begins.

Thanks to all of you for your participation in the Symposium on Breaking the Cycle of Delinquency today. I think the interest level in the topic was reflected by the fact the we pretty much "held the crowd" until adjournment this afternoon.

Unless things change, this coming Sunday's Viewpoint section of The Commercial Appeal will be largely devoted to this issue.
